

IET Midlands Power Group Annual Prize Award Evening

Hosted by Aston University
and Steve Argent, Chair of IET MPG

This prestigious event showcases the work of Midlands Universities. Come along and meet their students who will be our engineers of the future and find out about their fantastic ideas and innovations.

The finale of the evening will be an award ceremony where those judged to have made an outstanding contribution within their fields will be awarded.

Student entrants can obtain further details by emailing Bob Jinks at cex178@coventry.ac.uk

This event is free of charge and open to all.
